Custom Screen Printing

CALL 1.800.932.2301 FOR QUESTIONS OR ADDITIONAL INFORMATION

- Custom Screen Printing is available for most apparel purchases made with G&S Safety Products
- The customer is required to supply the art file that they wish to have printed, the file must be in JPEG, PDF or TIFF file. Vector EPS, Photoshop and Illustrator files are also accepted (Photocopies of faxed images are not accepted, we can create a simple logo or repair a photocopied image for an additional fee, (dependant upon difficulty and image detail) call **1.800.932.2301** for details.
- Standard text (letters or numbers) requests do not require an art file– however, please specify requested font and print size.
- The request and art file must be emailed to gssafetyproducts@hughes.net
- When emailing your request / art file please include: complete contact information, the requested size of the print, (print size not to exceed 12” X 12”) color, print location on the garment, quantity being printed, any additional instructions for the order, etc.
- Up to 8 colors can be combined per image (pricing chart only includes up to 2 colors, add \$1.00 for each additional color)
- A proof-approval notification will be returned to the senders email address within 48 hours, the approval must be signed and returned via email, or fax to **814.476.1892**, **otherwise the order will not be printed.**
- Orders are fulfilled typically within 14 business days (includes shipping time).
- Please note that screen printed garments are not eligible for return, except in the event of a manufacturer defect of the garment itself.
